**Re: Response to Warning Letter regarding diversion on Little
Cottonwood Creek**

Dear Mr. Silva,

This firm represents Waterside Condominium Owners' Association ("Waterside"). Waterside received a letter from the Division on May 21, 2019, regarding a diversion of water from Little Cottonwood Creek adjacent to Waterside's property. Waterside believes it owns a water right in the Creek and has submitted a total of 9 ROCs for Water Right No. 57-1886 to update its title.

Waterside has removed its pumps from the Creek and will not divert water until title is established.

Please call with any questions.

Sincerely,
MABEY WRIGHT & JAMES, PLLC
